Titulació

Techniques, Tips and Practice for the Cambridge C1 Advanced Exam by Fundació UdG: Innovació i Formació

Metodologia

The course consists of 15 hours of online class time, plus 15 hours of student self-study. The student will dedicate 30 hours in total to the course.

All materials will be made available to the students in digital format in the online syllabus.

Teaching and Assessment:

The course will focus on:

- Task achievement: what this means and how to achieve it.
- Understanding the reasoning behind a task.
- Timing and planning.

The dynamic and precise syllabus has been specifically designed to provide insight into exam questions and how to improve exam technique. The student self-study activities are integral to the course and the completion of tasks prior to the online class is compulsory.

Sistema avaluació

Assessment will be based on feedback from the self-study activities.

To qualify for an attendance certificate, students must attend a minimum of 80% of the classes.
