

# How can I activate my student card?

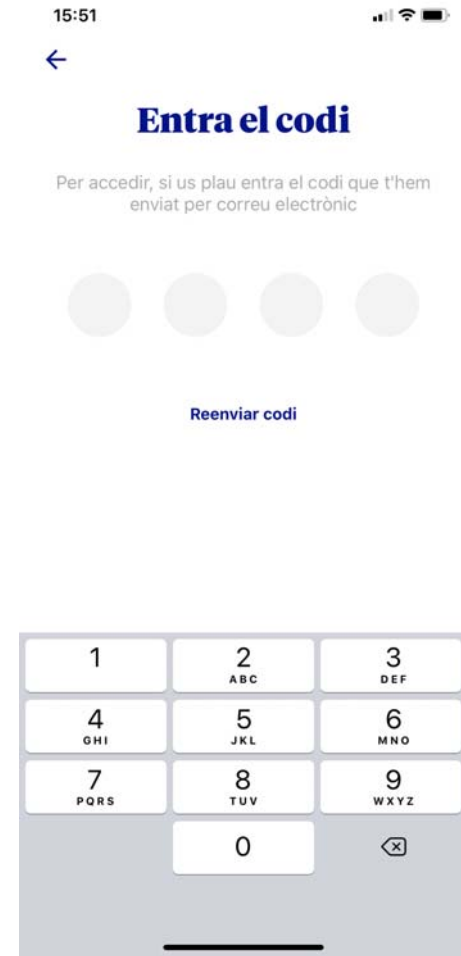

## Step 1

Read and accept the terms of use of the application and click **Activar Carnet** (Activate Card).

## Step 2

Enter your ID and click on **Rebre Codi** (Receive Code). Check the inbox of the email address that you have enrolled with. You will find an email with a 4-digit code. If you did not receive it, check the SPAM folder.

## Step 3

Enter the code received and the student card will be activated. If you have not received the code, click **Reenviar codi** (Resend code).

**Attention!** After requesting the code 3 times, the application will be blocked and you will have to wait 24 hours to try again.
